INTRODUCING THE NEW

Glo Mini-LED TV

Glo Mini-LED TV

QLED Mini-LED · 4K Google TV

Next-generation QD Mini-LED technology, a full-array locally dimmed backlight and Dolby Vision come together behind a three-side bezel-less frame. Tuned by the VuON™ AI Processor and voiced by a 2.2-channel, 50-watt VuFX system with twin woofers, Glo is built for the way you actually watch — cinema, cricket and gaming, on a single screen.
